

CALIFORNIA AIR RESOURCES BOARD

CAREER EXECUTIVE ASSIGNMENT

POSITION: CHIEF, PLANNING AND TECHNICAL SUPPORT DIVISION
LEVEL: CEA 3
SALARY: \$8,311 - \$9,164
FINAL FILING DATE: APRIL 13, 2007

POSITION INFORMATION

Under the broad direction of the Deputy Executive Office, the Chief of the Planning and Technical Support Division plans, organizes, and directs the work of the Division's program staff; formulates policy and strategy recommendations to the Executive Office and Board; advises and assists in the development, planning, and strategic and technical evaluation on air quality programs and policies; directs programs related to the requirements of the Federal Clean Air Act and California's clean air laws; directs the development of tools, procedures, and studies to provide sound scientific foundation for policy decisions. The Division Chief acts as a member of the Executive Staff and represents the Board in meetings with legislative staff, State, Federal, other states, and international agencies.

MINIMUM QUALIFICATIONS

Applicants must meet the following qualifications:

Either I

Must be a civil service employee with permanent civil service status.

Or II

Must be a current or former employee of the Legislature for two or more consecutive years as defined in Government Code Section 18990.

Or III

Must be a non-elected exempt employee of the Executive Branch for two or more consecutive years as defined in Government Code Section 18992.

In addition to one of the above, applicants must demonstrate the ability to perform high administrative and policy-influencing functions effectively. Such overall ability requires possession of the following:

- Knowledge of the organization and functions of California State Government including the organization and practices of the Legislature and the Executive Branch; principles, practices and trends of public administration, organization, and management; techniques of organizing and motivating groups; program development and evaluation; methods of administrative problem solving; principles and practices of policy formulation and development; personnel management techniques; the Department's or Agency's Equal Employment Opportunity (EEO) Program objectives; and a manager's role in EEO.
- Ability to plan, organize and direct the work of multi-disciplinary professional and administrative staff; analyze administrative policies, organizational procedures and practices; integrate the activities of a diverse program to attain common goals; gain the confidence and support of top level administrators and advise them on a wide variety of administrative matters; develop cooperative working relationships with representatives of all levels of government, the public and the Legislative and Executive Branches; analyze complex problems and recommend effective courses of action; prepare and review reports; and effectively contribute to the Department's or Agency's EEO objectives.

EXAMINATION ANNOUNCEMENT

Page 2

These abilities and knowledge are expected to be obtained from broad administrative or program manager experience with substantial participation in the formation, operation, and/or evaluation of programs and policies. (Experience may have been paid or volunteer, in state service, other governmental settings or in a private organization.)

DESIRABLE QUALIFICATIONS

Applications will be screened and evaluated on the basis of the candidate's ability to meet the following desirable qualifications:

- Managerial experience and demonstrated leadership, creativity and sound judgment in directing a group of multi-disciplinary professionals to implement a complex, sensitive program.
- Ability to successfully manage a matrix organizational structure and accomplish project objectives within schedule and budget.
- Ability to formulate and implement sound policy recommendations that integrate technical engineering, scientific, economic, environmental and legal considerations.
- Well-developed interpersonal skills and the ability to communicate effectively both orally and in writing.
- Knowledge of policy issues and commercialization challenges associated with advanced motor vehicle pollution control technologies, potential vehicle efficiency improvements, the use of alternative fuels, stationary source greenhouse gas reduction strategies, and market based pollution reduction programs.
- Knowledge of automotive industry practices and development timelines, and government policies and programs.
- Detailed knowledge of how state and federal governments function, and the state rulemaking process.
- Ability to establish and maintain effective working relationships with senior representatives of the automobile industry, regulated facilities, environmental groups, the Legislature, media organizations, and government agencies.
- General understanding and awareness of multicultural protocols and sensitivity to cultural differences.
- Ability to exercise discretion and diplomacy in sensitive interactions with stakeholders.

EXAMINATION INFORMATION

A CEA Review Panel will screen all qualified job-related education and experience in relation to other qualified applicants. Should the review panel find it necessary, interviews of the most qualified candidates may be conducted. The review panel will then provide its evaluation of the competitive group to the Executive Officer who will make the final selection.

Each candidate will be assigned a rating and will be notified in writing of their final score. In order to be successful in this examination, a minimum rating of 70.00% must be attained. The results of this examination will be used solely to fill the position identified on this examination announcement.

FILING INSTRUCTIONS

All interested applicants should submit a standard State Application form (Std. 678), a resume, and the Statement of Qualifications detailing how they relate to the Desirable Qualifications to the California Air Resources Board, Human Resources Branch, 1001 "I" Street, Sacramento, CA 95814, Attention: Martha Zarate by 5:00 p.m. on the final filing date. The Statement of Qualifications should be no longer than three pages. Questions concerning this position should be directed to Martha Zarate at (916) 327-2954.
